‘MALAYSIAN NIGHT’ IN TAWA

Kia ora! The New Zealand Malayan Veterans Association recently announced that they would be holding a fund-raising dinner in conjunction with the NZ Malaysian Society. Our President and his wife Crisel took the opportunity for a long-overdue holiday in New Zealand to attend this ‘Iban Princess Evening’ in Tawa north of Wellington on the North Island, on Saturday 30 July.

Highlights of the night were cultural performances, the chance to sample the ‘Iban Princess’ beer, and the Ode of Remembrance at the end of the night.

BRANCH UPDATES

Our Branch President Paul Rosenzweig and Vice-President Don Cameron were interviewed recently by Helen Meyer for the Service Voices program on Radio Adelaide, 101.5 FM. You can find the podcast here:

<https://radioadelaide.org.au/program/service-voices/2022-06-27/>

We strongly recommend that all members consider taking the opportunity to be interviewed in this manner. All interviews are pre-recorded, with substantial editing if required to deliver a professional end result.

With all holidays having been put 'on hold' for the last couple of years, Paul and Crisel Rosenzweig took the opportunity to take a driving tour through the North Island of New Zealand, finishing up in the northern suburbs of Wellington to join the Malayan Veterans Association for their Malaysian Night.

A reminder that the new 'Thailand Paver' will be laid in the Anzac Centenary Memorial Walk in a commemorative ceremony to be held on Victory in the Pacific Day (VP Day) on 15 August. The Ex-Service Organisation Consortium has been asked by the state Government to conduct this ceremony. All are welcome to attend.

We look forward to seeing you at our Annual Dinner on 6 August, and our 2022 AGM on 19 August with lunch and an interesting guest speaker.

On Service Voices

**PAUL ROSENZWEIG OAM
+ DON CAMERON: NMBVAA SA/NT**

Don and Paul talk of how the National Malaya & Borneo Veterans Assoc of Aust SA/NT rallied following the tragic death of its President Brian Selby, and how they're continuing the important work retaining close ties with the people of the Malaya and Borneo provinces that Aussies defended during the Malayan Emergency and the Indonesian Confrontation.

Paul and Don call on Army, Navy and Air Force Veterans and families of the era to join them in attending upcoming services commemorating the era, including joining Aussies, New Zealanders, and other British and Commonwealth Veterans in Sarawak in 2023.

Paul and Don talked about how the Branch honours those who lost their lives – noting that 50 Australians from the Malayan wars still remain buried overseas.

The Branch also looks to the future through its engagement with Air Force Cadets in their various commemorative services – our next generation of Defence personnel and our future veterans.

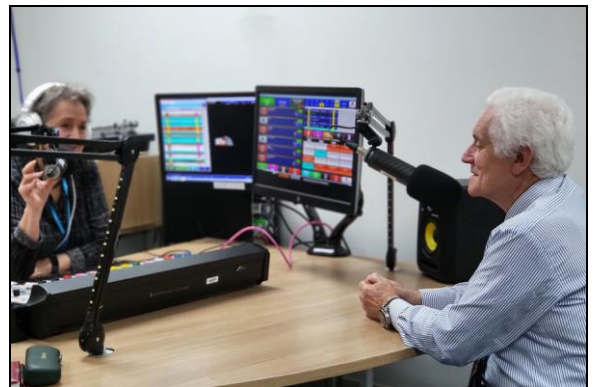

The program finishes up with a Timorese patriotic folk song “O Hele le”, a Timorese folk song from Timor-Leste (formerly known as East Timor), sung in Tetum.

It is a patriotic song, one of East Timor's songs of resistance, about the perseverance of the Timorese people, calling on the Timorese people to unite. It refers to “streams flowing together to become a river”.

Pictured right: Vice-President Don Cameron in the Radio Adelaide studio with the award-winning Helen Meyer, inaugural recipient of the History Council of South Australia's Oral History Excellence Award.

Don reflected on his military service on the Malay Peninsula and in a fortified company patrol based in Sarawak near the border, and modern efforts to support schools in the areas where Australian forces operated in 1965 and 1966.

If you would like to share your story on air, you can contact Paul or Don for guidance and contact details for Helen.

ESO Consortium

On Thursday 7 July, Paul Rosenzweig and other association leaders from the Ex-Service Organisation Consortium met with the new SA Minister for Veterans' Affairs, the Honourable Geoff Brock MP (right of image). The Minister is fully aware of the range of issues the Consortium is currently addressing.

The matter of the Queensland RSL Art Union Lottery is being addressed by RSL SA, and is going to arbitration. Despite what they might say at the stalls around Adelaide's shopping centres, absolutely no proceeds go to supporting RSL or advocacy services in SA.

Public Schools Club

On Friday 8 July, the Branch Committee held a meeting at the Public Schools Club in Sandford House on East Terrace in Adelaide. The Committee strongly recommends this venue for future meetings and Branch events.

Operated by the Club on East Terrace is the East Terrace Café, a tranquil garden café overlooking the Victoria Parkland. The café is open to the public Monday to Saturday from 0730h until 1230h.

Malaysian Night in Tawa

On Saturday 30 July the Malayan Veterans Association and the NZ Malaysian Society held a fund-raising 'Iban Princess Evening' in Tawa, north of Wellington.

Those who attended the 2019 Malaya-Borneo Veterans Day ceremony in Kuching will remember Bill Russell, Vice-President of the NZ Malayan Veterans Association.

Bill designed the promotional poster (see image in the July newsletter) and also the dinner placemats (pictured right).

One of the highlights of the night was the locally-produced 'Iban Princess' beer.

The guest of honour was the Malaysian High Commissioner to New Zealand, the Cook Islands and the Independent State of Samoa, Her Excellency Nur Izzah Wong Mee Choo (pictured left).

Also in attendance from the High Commission in Wellington was the Malaysian Defence Advisor, Lieutenant-Colonel Razlan Razali.

A total of 120 people attended the night, including many Malaya-Borneo and Vietnam War veterans and members of the Malaysian community.

Auckland Cenotaph

The Auckland War Memorial Museum Tāmaki Paenga Hira is located in Auckland Domain in New Zealand's largest city, Auckland. It was constructed through subscriptions raised by Aucklanders in remembrance of their war dead from World War 1.

In front of the museum building stands the consecrated Court of Honour and the impressive Auckland Cenotaph – based on the design of the original Cenotaph at Whitehall in London. The Museum and Cenotaph were officially opened on 28 November 1929, and an Anzac Day ceremony was first held at the Cenotaph on 25 April 1930.

These are special places of remembrance for families and returned Service personnel who want to honour their loved ones and fallen comrades.

Auckland Domain Pukekawa and the lower slopes of the historic knoll Pukekaroa are sites of significance for the New Zealand Expeditionary Force, and the Auckland Regiment in particular – dating from the time of the South African War.

New Zealand Troops assembled on this site before departing for the Transvaal (Boer War).

Then in 1914 Auckland and Northland soldiers again camped here before embarking for Egypt and Gallipoli.
