QUOTE " All three reviews have found that there is insufficient evidence to support a broad increase in the TPI payment. While I can appreciate this is not the outcome the TPI Federation had hoped for, the government has exhaustively investigated their claims and responded positively to all the recommendations put forward by Mr Tune" The Hon. Darren Chester MP.

Mr Tune's review is the third assessment into issues raised by the TPI Federation around the TPI Payment, the previous two being from KPMG and the Productivity Commission. The Government has accepted Mr Tune's recommendations.....

The 2020 / 2021 Federal budget will provide increased support for veterans living in rented accommodation [item 15.1 Productivity Commission] and an additional \$25.9 Million for some additional support overall.

As we go to print it is still touch and go whether or not the Australian contingent will be able to attend the planned Commemoration and opening of the Memorial Garden at Kg Gumbang in late August. Australian govt medical authorities are still in favour of keeping international travel bans in place, except for New Zealand till there is a definite removal of infections.....

Committee member Vicki Crannaford has proposed we conduct the 2021 Sarawak commemoration in Adelaide as the *plan B* for Sarawak, to ensure the purpose of our joint plans with Kuching do go ahead...and as a possibility, we may be able to organise a ZOOM connection to see each site in real time...
